Dear Mr. Phillips, Esq.:

Thank you for contacting my office regarding parental choice in vaccination.

As you know, I believe in greater involvement and choice for parents in their children's health care decisions. This will be a priority during my transition and throughout my administration. I appreciate your concern on this important issue.

If my staff or I can ever be of assistance, please do not hesitate to contact my office at (609) 341-3000.

With best wishes,

Yours sincerely,
